Once again, this summer will certainly have a different look and feel than most of you are familiar with. We appreciate your patience and thank you in advance for following our guidance and helping to keep our campers and staff safe this summer.

Camper Drop Off/Pick Up

- Prior to your campers first day we ask that your child have a negative COVID test within 72 hours of coming to camp. Please bring documentation with you at drop off.
- When you arrive at camp, all campers will have their temperatures taken and screened for Covid-19 symptoms.

- If possible, people aged 60+ or those with serious underlying medical conditions should not drop off/pick up children, because they are more at risk for severe illness from COVID-19.
- Late arrival and early pick up, campers can be dropped off at the office. They will be screened in the office before the parent/guardian leaves. All campers must wear a mask while waiting in the office for their counselor.
- Last day of camp, campers will be brought up to their parent(s) with their belongings. Family members will not be allowed down in camp at pick up.
