Hiram House Camp

2022 Day Camp

Hiram House is continuing to take actions to lower the risk of COVID-19 spread at camp by following guidance from The American Camp Association as well as the CDC.

Hiram House **STRONGLY RECOMMENDS** Vaccinations for ALL campers and staff. We will continue to use multiple prevention strategies to help protect our camp family at all times. We appreciate your patience and thank you in advance for following our guidance and helping to keep our campers and staff safe this summer.

If your Camper is Sick or has Covid-19

- If your child has been diagnosed with Covid-19, we ask that they stay home and follow all CDC and your doctors guidelines about when to return to activities.
- If your child is vaccinated and has had CLOSE CONTACT with someone infected with Covid-19, they do not need to stay home unless they are showing symptoms of Covid-19.
- If unvaccinated and exposed: the camper will need to stay home and quarantine for least 5 full days. A negative test will be required before returning to camp.
- If vaccinated and symptomatic: get tested at least 5 days after you last had close contact with someone with COVID-19.
- If a camper becomes ill while at camp, Hiram House will inform all families that are within that camper group of the positive case. We will have the ability to rapid test campers if needed at camp.

Office Visits

- Parents who need to go to the office, we ask that you drop off your camper(s) first and then park in the main lot and come to the office.
- As in the past please wear a mask in the office and allow for social distancing while waiting in the office. Hand sanitizer will be available inside.
- To alleviate office traffic you can call and place money on your campers Camp Store account at anytime. (216) 831-5045
- The office is also open Mon-Fri 8:30am-5pm to drop off any forms prior to the start of camp.

Face Masks

- Per the CDC guidance we will continue to monitor the levels of Covid-19 in our community to determine any changes in our mask policy.
- At this time masks will be worn indoors. Please send your camper with multiple masks.

Daily Camper Activities

- Camp groups will be no more than 8 or 9 campers to 1 counselor.
- Please send your camper with their lunch, swim suit, towel, sunscreen and bug spray EVERY DAY.
- Please send LONG PANTS and CLOSED TOE SHOES with your camper daily for Horseback Riding. We will NOT have clothing items available this year for sharing, If your child forgets these items they will NOT be able to ride. These items can be kept at camp in their cubby for the duration of their session.
- Campers will be allowed to bring their own horseback riding helmets from home. Our Ranch Manager will inspect for safety upon each use. Bike helmets are NOT allowed.
- Cookouts will be held this year in small groups. Your campers counselor will let you know what day/week your camper will be having their cookout day.

Day Camp Overnights

- At this time we are planning on running our day camp overnights. If there is a change to this programming we will inform parents in a timely manner.
- Once again we will **NOT** be allowing tents for overnights. We are unable to social distance campers in such small spaces. We will be utilizing our camp grounds for the overnights such as our fort, pavilions, cabins, fire station and the great outdoors for their overnight experience. We hope you understand our policy change. It is for the safety of our campers that we have made this decision.

Cleaning and Disinfecting (Our Commitment To You)

- Hiram House will be following all CDC and American Camp Association guidelines for cleaning and disinfection.
- Daily activities such as archery, horseback riding, etc. will be cleaned after each group.
- Bathrooms and facilities will be cleaned multiple times throughout the day.
- Hand washing will occur throughout the day as needed.
- High touch surfaces will be cleaned multiple times throughout the day.
- All Camp Staff will be trained on cleaning and disinfection as well as a general Covid-19 guidelines.
