

The Hiram House Double H Ranch is in search of interns to join our 2025 summer staff. Hiram House Camp is a non-profit summer camp and outdoor education center located in Moreland Hills, Ohio.

At the Double H Ranch, we run a year-round, western based, lesson program in which the ranch staff are responsible for all equestrian related activities for our summer camps. We have a wide variety of horses and students which allows us the chance to offer educational advantages to interns across a multitude of equine educational tracks.

The intern position offers the opportunity to gain much more than horse care related experience. You will also have the chance to be a part of the inner workings of our lesson and camp programs.

This includes (but is not limited to):

- **Lesson planning and execution**
- **Staff selection and management**
- **Horse selection and purchase process**
- **Volunteering recruiting**
- **Planning and executing lesson horse training programs**
- **Facility and pasture management**
- **Program fundraising and budgeting**
- **Client relations**
- **Program scheduling**
- **Task prioritization and management**

This position offers dorm style housing, meals (while overnight camp is in session), and a bi-weekly stipend. To properly prepare our interns for the working demands of an equine related business this position is 6 days a week (will include holidays and some weekends) with varying hours and emergency on-call preparedness is required. Interns will also participate in some evening summer overnight camp activities, including our day camp overnight.

Please send all inquiries to Lauren Garner, Double H Ranch Manager at lgarner@hiramhousecamp.org. Be sure to include your resume and three references along with your inquiry. All interns will require a background check including FBI and BCI fingerprinting. No phone calls please.
